NEW AFFILIATED CLUB – JODHPUR CLUB, JODHPUR

We are happy to announce that we have approved the new affiliation with Jodhpur Club, Jodhpur, Rajasthan. Members can book the rooms and also can avail the facilities of the Club as per the rules and regulations of Jodhpur Club.

Jodhpur Club History : In around year 1962 few sports lovers established an association of high society people with same mind set, who loved to play, interact, discuss and support each other in very friendly environment. This association was a team of people from all sectors like royal family, sports persons, prominent doctors, lawyers, businessmen and high end professionals. The association was then given an identity with a brand, name as Jodhpur club. Initially for some years it was getting managed cordially with an increase in number of interested associates as members and working towards making it a stronger entity. But an unfortunate part happened by the demise of two-three key members resulting into a slow deactivation of the club. Following all these, most of the members made their involvement lesser and some of them gradually passed away leaving a very low number of active members.

In the year 2016-17 some of them with interference of royal family, again met and decided to reform the almost fainted club with an idea to recreate its lost magic by involving a team with enhanced clubbing experience. Accordingly, the entire setup of cottages, gym & sports, furniture & fittings, kitchenware etc; to provide all club facilities to the visiting members, was decided to renovate at a new location in city but out of hustle bustle of town, which got well renovated that time. In order to facilitate the members and to invite people from all parts of the country and abroad, a decision to affiliate the club with renowned & prestigious clubs of India and overseas was taken.
